Award-Winning Author, Heather Hummel, to Hold a "Meet and Greet" at Pilgrim's Way in Carmel, CA

Carmel-by-the-Sea, CA — It's always a heart-filled event when **Heather Hummel** holds a "meet and greet" within a community. Just in time for Valentine's Day, we're excited to announce Heather's book signing for her second novel in the Journals from the Heart series, **WRITE FROM THE HEART** (PathBinder, 2011), on February 11 from 12-2 p.m. at Pilgrim's Way book store in Carmel-by-the-Sea.

Heather Hummel is a "photonovelist" who blends her passion for photography with her award-winning career as a bestselling author and ghostwriter. Her published works include two novels, **WHISPERS FROM THE HEART** and **WRITE FROM THE HEART**, in the Journals from the Heart series, two non-fiction titles, and several essays. Her works have garnered her numerous awards including a 2009 Mature Media Awards, Merit Award and a 2009 New York Book Festival, Honorable Mention.

With her love for journal writing, talent for creating characters who are relatable, and a unique blend of humor and humility, Heather takes readers into the hearts and lives of women who are embarking on new journeys in life and who are seeking ways to cope through changes that include, love, loss, fate and destiny.

I look forward to discussing the possibility of an article or interview with the engaging and thought provoking author, Heather Hummel, hailed by McGraw-Hill as a "very talented author."
